家之梦
DREAM HOUSE

Jiaxing Jiazhimeng new material co.,Ltd. is located in Haining, Zhejiang, close to the major ports of Shanghai and Ningbo, facilitating logistics and transportation. With 18 years of experience in the field of interior decoration materials, we are committed to continuous research and innovation to provide our customers with superior products. We offer comprehensive one-stop services, not only developing and manufacturing a variety of wall products such as pvc foam veneer panel/wpc wall pane/UV marblepanel but also possessing strong supporting resources. We have in-depth cooperation with factories producing aluminum alloy molding and LED strips, ensuring we provide our customers with the most convenient, worry-free, and high-quality services.
